

## FROM THE CHAIRMAN - Carole English

I must start this issue with a comment on the **SHOWCASE** which we held on 13<sup>th</sup> September. To say it surpassed all our expectations is an understatement – in terms of the number of people who attended, the interest it created and the 53 new members who joined. The Knutsford Guardian's comment 'The U3A Creates a Buzz' was very appropriate. For me the best thing about the afternoon was seeing the wonderful displays and demonstrations put on by the all the groups, who really rose to the occasion and 'did us proud'. My thanks go to everyone who took part and helped in any way, and that includes those of you who came along on that afternoon to give your support. It was a terrific team effort and we certainly showed Knutsford what U3A is all about.

We have high hopes that our London weekend will go ahead, and please have another look at the details which are further on in this issue of **Kanuta**. If you would like to go on this weekend holiday, could you please contact me and send your deposit as soon as possible. I will be pleased to answer any of your queries.

I hope to see as many of you as possible at the General Meetings over the next few months. We have some excellent speakers and your support and interest is appreciated

## VISIT TO GAWSWORTH HALL - MONDAY 10<sup>th</sup> DECEMBER

This year for our Christmas outing we are visiting Gawsworth Hall to see this lovely Tudor manor house decorated for Christmas. Each year the house is transformed by floral designer Barry Grey, and after a tour of the rooms we will be able to have tea and cakes in the Orchard Tea Rooms. The coach will leave Knutsford at 1.15 and leave Gawsworth for our return at 4.30. The cost will be £14.50, which includes your entry to Gawsworth and coach fare. Tea is not included in this price. Cheques should be made payable to Knutsford and District U3A and sent together with a booking form to Margaret Cole (details over the page)

Please note: Bookings will be taken on a first come first serve basis and, while we hope to be able to offer booking at the General Meetings in October and November, many of our Outings are now being completely booked within the first week of being offered. If you would like to go on a particular outing it is advisable to book as soon as possible.

## SHOWCASE

## SHOWCASE

## SHOWCASE

2012 will be remembered as a year of anniversaries and achievements. What better moment to get in tune with the national mood and to pay tribute to the 30<sup>th</sup> Anniversary of the U3A by showcasing the achievements of the Knutsford and District Branch? The Committee decided to go with the idea. The date was fixed for 13 September, the venue the Civic Hall, the time 2 pm – 4 pm.

All of our 40 groups were involved and co-ordinators were asked to make a display showing some aspect of their activities. As usual, our co-ordinators responded magnificently to the challenge and not only provided displays but were also ready with explanations and information for the enquiring visitors. The huge variety of interest groups and the high standards of excellence shown drew much favourable comment.

In addition to the static displays, the Tatton Room next door hosted two live presentations with accompanying slide shows. The audience was also treated to an excerpt from an Oscar Wilde play performed by the Play Reading Group.

A seemingly endless amount of teas and coffees were served throughout the afternoon by our very able catering team. Those who took advantage to have a break from walking around and looking at the displays were very appreciative of both the refreshments and the seating area provided.

The number of visitors exceeded expectations and it is estimated that over 200 people were in the Hall at any one time. From the moment that the doors opened, a steady stream of people arrived and the Hall was soon thronged with visitors, members and their guests. Judging by the noise level, there was a great deal of interest from the start which continued until time was called at 4 pm.

Given the public's positive response, we are agreed that the Showcase was a huge success and it has raised the profile of U3A within the local community – as well as bringing in new members.

It is almost invidious to single out individuals in this enterprise since everyone who participated gave 100% commitment to making it happen. However, the major credit must go to the sub-committee who masterminded the whole process and Rod Howgate, Sue Hopkin and Carole English in particular who did the detailed planning and implementation. Thank you to all involved.

As for U3A Showcase 2013.....who knows?

Did you **Guess the Grape?**

The answer was **Sauvignon Blanc from New Zealand** and the first correct answer out of the hat was Peter Hopkin, who won a bottle of wine.

## **REVIEW OF THE VISIT TO STRATFORD**

On 9<sup>th</sup> September we were all in the coach ahead of time, looking forward to a visit to Stratford with a tour of the Royal Shakespeare Company Theatre and a matinee performance included.

The tour started as soon as we arrived at the theatre. It gave us a fascinating insight into the workings of the different areas of this famous building. The building has undergone a huge transformation recently. We saw the result of this in the auditorium, where there is a new thrust stage that juts out into the audience with seating almost all the way around it. This gives an intimate feel for both actors and audience. We learned theatre history and tricks of the trade – a theatre entrance from under water, which we later saw, must be one of the trickiest. We saw backstage areas, costumes, and the amazing electronics packed control room that overlooks the auditorium. After visiting the interesting Swan Theatre the tour ended at the top of the theatre Tower with wide views over Stratford. The whole tour had been full of interest.

We now had time for lunch. It was delightful to sit in the sun overlooking the river, soaking up the views and the atmosphere.

The performance followed and we saw the comedy Twelfth Night. This production has a modern-day setting with imaginative and ingenious set design. The comedy of the play was well to the fore, with the slapstick element certainly being quite unexpected. There were some strong performances from the cast and it all ended to much applause.

The whole day was hugely enjoyable, with our new background information adding another dimension to the stage performance. Thank you Margaret for all your work in organising the whole day.  
Barbara Arnell

## **REVIEW OF THE VISIT TO CLONTER OPERA**

On 19 July last, 13 members of the Music Appreciation Group went to Clonter Opera Theatre, a quirky barn with a 400 seat auditorium and bar and dining areas. Before the performance of Hansel and Gretel (sung in English) we had an informative talk about the production and the interpretation of the work. I found this really helped my understanding of each of the Acts.

We enjoyed the performances of seven very talented young performers, whose fabulous voices and considerable acting skills brought the Fairy Tale to life. The music of the original Englebert Humperdinck was performed by an orchestra of 15 excellent young musicians. The lady percussionist so talented that she was often playing two or three instruments at the same time.

The sets and costumes were very imaginative with a great contrast between the stark conditions of their desperately poor home, the forest, and the modern highly colourful temptations on offer from The Witch, who wore no pointy hat, or warty nose, but was dressed to kill in a modern bright red outfit – a compelling interpretation and a talented performance.

Clonter Opera Trust is committed to nurturing new talent and providing the highest quality training and performance opportunities for singers who, after many years of study, are at the beginning of their careers. There are many examples of artists who have appeared at Clonter going on to be Prize Winners and greater success. The performance which we watched was certainly of a high standard and we had a most enjoyable evening. Many thanks to our Co-ordinator, Susan Hopkin who organised everything for us.

## OUTINGS

MONDAY 10<sup>th</sup> DECEMBER – Visit to Gawsworth Hall to see the Hall decorated for Christmas. This is an afternoon visit and will be followed by afternoon tea. Full details in this edition of **Kanuta**

The Outings Sub Committee is currently putting together a programme for 2013.

## COUNTDOWN

The number of people wanting to see the production of this programme was far in excess of the 45 tickets we had been allowed and that is disappointing for those who were not successful.

The good news is that our name is on the list for an allocation next year so we may well run the same outing in 2013.

## INSURANCE FOR OUTINGS INFORMATION

Please remember that all cheques for Outings or Theatre and Concert visits should be made out to Knutsford and District U3A, not the organiser of the event. You are then covered by U3A Insurance. Always query any request to make cheques out to the event organiser. This way your money is protected.

## **NEW KNUTSFORD U3A WEBSITE**

The new Knutsford U3A website went live early in September. There is no change in the website address [www.knutsfordu3a.co.uk](http://www.knutsfordu3a.co.uk), so you will not need to change any shortcuts to it or the way you access it.

The design has a more modern look, and new features are available such as a “Latest News” area, a members’ area containing guidelines for Group Co-ordinators, and the possibility to search the website more easily.

The redesigned website includes a banner with a number of photographs of Knutsford at the top, and all pages use the same basic design. All the information which was on the old website is included in the new one, with additional pages added to make it easier to find information on all the groups’ activities.

If you have not yet had a look at the website, why not try it out now? We welcome any comments or suggestions; these can be sent to the website contact address at [info@knutsfordu3a.co.uk](mailto:info@knutsfordu3a.co.uk), via the contact box on the new site, or by telephone to David English, the website manager, on 01565 625815

## POSSIBLE NEW GROUPS

### PILATES

This is an exercise system that improves flexibility and agility and helps to prevent injury. A beginners class generally consists of very gentle exercises done on a mat in either a sitting or lying down position.

We have the chance of starting a Pilates class for Knutsford U3A with a fully qualified Pilates Instructor, Katherine Kirkman. Katherine currently teaches four classes a week for Holmes Chapel and Congleton U3As and also at Cottons.

There will be a charge for the classes, but if we have enough interest, costs can be kept to the minimum. If you are interested please contact Carole English 01565 625815 or email [info@knutsfordu3a.co.uk](mailto:info@knutsfordu3a.co.uk)

### SOCIAL AND ECONOMIC HISTORY

Is there anyone interested in joining or leading such a group? Please contact Audrey Bennett on 01565 755203

## NEWS FROM THE GROUPS

All contact details for the groups are on the back page

**Antiques:** Members of the Antiques Group visited the Macclesfield Silk Museums in July. We enjoyed the interesting and colourful static exhibits and found the demonstrations of working machinery, such as the Jacquard looms, particularly fascinating. The visit brought history to life and related well to a recent talk on silk and a themed meeting at which we shared our knowledge of antique fabrics and garments.

## NEW WALKING GROUP

We are hoping to start a further walking group. This will be twice a month, on alternate Thursdays /Fridays, possibly the first Thursday and third Friday in each month. The walks would be 4 to 5 miles long. Taken at a medium pace they should only last a morning and could possibly conclude with a pub lunch.

We would hope that members of the group would be prepared to lead the occasional walk. Plenty of help would be available!

**We are considering having an 'inaugural' walk on Friday, 19th October.**

If you might be interested in these walks, even if you cannot manage 19th October, please contact Margaret Hinde, 01565 872643 or email [info@knutsfordu3a.co.uk](mailto:info@knutsfordu3a.co.uk)

## ADVANCED NOTICE

Because of the publication dates of **Kanuta** it is sometimes necessary for us to include information which might seem a little premature. The inclusion of items about Christmas – Gawsworth on the first page and The Christmas Tree Event below - in this edition is a prime example.

## CHRISTMAS TREE EVENT

St Cross Parish Church in Mobberley Road is holding its Christmas Tree Festival this year from 30th November to 2<sup>nd</sup> December.

This festival was last held in 2010 when, along with many other local businesses, societies, shops, and restaurants, Knutsford U3A decorated a tree in U3A colours of blue and gold as our contribution to this really lovely colourful event and we intend to have a tree there again this year.

St Cross is donating all proceeds from the event to a local charity, Children's Adventure Farm Trust, and it will be widely advertised nearer the time.

We hope you will all come along to see our efforts and support the event.

**Please keep this page of information. It will be reprinted only when changes occur.**

**Changes are shown in red or bold.**
