## FROM THE CHAIR

It's definitely Spring! A time for new opportunities such as joining a new group or helping your U3A in a new way? Have you thought about joining the Committee? If you are an active member of our U3A you will know that members help in all kinds of different ways to keep our organisation strong. We currently have a good, full Committee but 4 or 5 will be standing down at the AGM in July, so we will need some new members to join the team. Any committee needs a good mix of people, some with experience and others bringing a new perspective. It's an important role, which is interesting, varied and satisfying and gives Committee members a feel for the whole organisation.

Being on the Committee won't take up too much of your time - we meet 10 times a year and meetings usually last one and a half hours so that's just 15 hours a year! Some Committee members have specific roles that may take some additional time but others play their part by engaging in discussions, leading to decisions that keep our U3A moving in the right direction. We currently meet on the fourth Thursday afternoon of the month at 2pm in the Methodist Church. New Committee members are elected at the AGM for a period of up to three years but, as we are all volunteers, that is not an obligation to commit to three years.

If you might be interested and would like to find out more please give me a ring. I can give you more information about what is involved and you would be very welcome to come as an observer to a Committee meeting before making a decision and being formally nominated. Please could you also think about other members that you know and put them in touch if they might be interested?

### Refreshments at Members' Meetings

After more than 3 years providing refreshments at Members' Meetings Jessie Bunyan and Margaret Oliver have decided to retire from these duties. On behalf of the members the Committee offers their thanks to Jessie and Margaret for providing such a magnificent service which has been much appreciated by members.

In the absence of volunteers to take over this service the Committee have had to seek alternative arrangements for the provision of refreshments and have asked staff from the Market Café to provide the refreshments from the May meeting onwards. The cost to members for coffee or tea and a biscuit will be 50p. The Market Café will also be selling cakes etc at the meetings.

### **Choral Symphony at the Bridgewater Hall**

**Friday, 5<sup>th</sup> July, 7.30 pm**  
**The Bridgewater Hall**

**Cost, including transport, £ 27.00**  
**Coach departs 6 pm.**

#### **MAHLER'S CHORAL SYMPHONY NO. 8** **With Chethams Symphony Orchestra**

Mahler's Choral symphony has become known as the 'Symphony of a Thousand Voices'. I doubt if there will be quite that many in this performance, but I can promise you at least six choirs! The Chethams Chorus; Leeds Festival Chorus; Manchester Cathedral Choristers; St George's Singers; Greater Manchester Youth Choir and Hereford Cathedral Children's Choir. It should make for a glorious sound!

Considered one of the greatest symphonic masterpieces of the repertoire, it is Mahler's colossal vision of 'the whole universe ringing and resounding' – a truly mighty work.

This concert is the centrepiece of Chetham's School of Music 50th anniversary year celebrations, so I am sure the whole hall will resound with youthful enthusiasm and talent. Another unique occasion.

### **New play at The Royal Exchange Theatre**

**Friday, 26<sup>th</sup> July, 7.30 pm**  
**Royal Exchange Theatre, Manchester**

**Cost, including transport, £28.00**  
**Coach departs 6 pm.**

#### **THERE IS A LIGHT WHICH NEVER GOES OUT - Scenes from the Luddite Rebellion** **by James Yeatman**

This is a new play, so I can't exactly recommend it, but I thought it looked interesting and hope some of you will feel like taking a chance with it! I have booked preview seats, so that they are almost half the price of ordinary performances.

The play reminds us of the Luddites of the Industrial Revolution, who smashed the new machines that were transforming their livelihood, complaining that technology was beating down the workers, and brings the same complaints into the present day. 'Using 21<sup>st</sup> century artefacts and technology, this is a vivid and passionate production, .... Showing how the Luddite protests remain massively relevant today' (from Exchange notes).

**Tickets for both of the above productions will be on sale at the monthly meeting on Thursday, April 11<sup>th</sup>**

## **Report on visit to Chetham's Library and Manchester Cathedral**

On 11 March a group from Knutsford U3A felt more like time-travellers moving from the modern skyscrapers of the city to step into Medieval Manchester. First stop was Chethams Library for a guided

tour with Jonathan Schofield; the original building of 1421 accommodated priests from the nearby collegiate church – later to become the cathedral. A bequest by Humphrey Chetham (a successful Manchester textile merchant) enabled the building to be purchased in 1653 to create a school and Library - now the oldest free public lending library in the UK. Its 100,000 volumes (over half of which were published before 1851) were not even catalogued until 1791 and then only in Latin! It has now been acknowledged by The

Arts Council to be a collection of great, national importance. The building is a treasure trove of stone passages, oak staircases and richly panelled rooms containing manuscripts, books and paintings. It's hard to think that Karl Marx and Friedrich Engels met there – perhaps even to research ideas for their Communist Manifesto?

Then it was on to a tour with three guides of Manchester Cathedral. Formerly the Collegiate Church of St Mary, St Denys and St George this historic, parish church became a cathedral when a new Manchester diocese was created in 1847; it was substantially renovated in 1887 with most of the stonework being Victorian. Lovingly restored after damage in the Blitz of 1940 and IRA bombing in 1996, the cathedral now has one of the finest collections of new stained glass in the country with the Alan Davis's 2016 'Hope' window and artist Anthony Hollaway's 'Wall of Light', a stunning installation created by the five windows along the west wall. The interior woodwork is original 15th and 16th century; high up in the nave are angels carrying replica mediaeval instruments highlighted in gold. The medieval misericords in the Quire are said to be some of the finest in Europe dating from 1495-1506.

Our thanks to Margaret Hinde for organizing such an interesting and enjoyable day.

Tracy Cooke

### **National Summer Schools 2019**

The National Summer Schools are open for bookings. They will take place as follows:

12<sup>th</sup> – 15<sup>th</sup> August, Aston University, Birmingham

10<sup>th</sup> – 13<sup>th</sup> September, Royal Agricultural University, Cirencester.

You can have a look at the national website, [www.u3a.org.uk](http://www.u3a.org.uk) for further details about the variety of courses on offer.

### **Monthly national and regional Newsletters**

You can sign up to receive these by email by going onto the national website and registering your email address.

### **Reduction in annual subscription**

The Committee continually monitors our finances carefully. Over the last few years our expenditure has been less than our annual income as our membership has grown. In order to comply with the Charity Commission's regulations it is necessary to reduce the amount of money that we, as a U3A, hold in reserve (figures will be available at the AGM). To this end the Committee have decided to reduce the annual subscription to £13 per head per annum from Sept 2019. The level of the annual membership subscription will be kept under review and it is likely to rise again in future once our reserves reduce to the appropriate level. The Committee have also decided, in the absence of volunteers to run the service, to subsidise the provision of refreshments at the monthly Members' Meetings.

Secretary

## Old School Shared Learning Project (SLP)

### Promotional Video

This SLP is an intergenerational project involving U3A members, other retired members of the community, and students from Knutsford Academy and is now in its third year of successful operation. Last year the Project was able to secure some funding from Knutsford Town Council and Manchester Airport to employ a professional media company to produce a promotional video. The final edited version can be viewed at <http://knutsfordu3a.co.uk/activity-groups-visits/21-2/old-school-learning-project-slp/> (or choose “Old School Shared Learning Project” from the Activities List on the Knutsford U3A website.) The filming took place at different times and locations, but the common theme is of both generations enjoying each other’s company ...a very successful social experiment!

### The Great Get Together

Some scenes in the promotional video were recorded at last year’s Great Get Together in St John’s Church. Held during the weekend when the Nation organises many events bringing people together in the spirit of Jo Cox, the MP killed in June 2016. She famously said in her inaugural parliamentary speech “We are far more united and have far more in common than that which divides us”.

Old School is organising another Great Get Together this year, which will be held from **2-4pm on Sunday 23<sup>rd</sup> June in St John’s Church, Knutsford**. The event is free, no tickets are required and is open to anyone who is a retired resident of Knutsford or a member of the Knutsford & District U3A together with the students from Knutsford Academy. There will be opportunities to socialise, refreshments served to your table and, we anticipate, some musical entertainment from the students. So, hold the date for a great get together!

### Further Development of the Project

To date the Project has involved children between 13 and 15 years old. We are in discussion with Egerton Primary School with the prospect of providing the opportunity for U3A members to meet with children under 11 years old. This would necessarily take on a slightly different arrangement to that at Knutsford Academy, but we would like to run a trial project after the Easter break to explore what will work best. When we have agreed the way forward with the teaching staff involved, we will circulate an (email) invitation to U3A members for a joint meeting to start the process.

If you have any interest in being involved, wish to find out more, or have any ideas about any of the items mentioned above, please contact David Lee at [info@knutsfordu3a.co.uk](mailto:info@knutsfordu3a.co.uk) or call 07715 498911.

## NEWS FROM THE GROUPS

### Gardening Group

Our gardening group is always looking to welcome new members. Our next visit is on Tuesday 23<sup>rd</sup> April. We are going to Dunham Massey to do the Tulip Tour. The tour is free for National Trust members and £11 for non-members. We will be meeting at the entrance to the gardens at 2pm prompt.

If you would like more details regarding this trip or would like a copy of our new programme please contact Pam Bolland On 01925 753391.

### Tai Chi

We have a few spaces at the moment in our two Tai Chi groups. Both groups meet on Thursdays at the Knutsford Sports Club on Mereheath Lane: Group 2 from 3pm to 4pm and Group 1 from 4pm to 5pm.

With our excellent tutor we practise Qi Gong exercises. These include breathing and meditation exercises to help to reduce stress and gentle physical exercises using the muscles of the whole body to improve core strength, balance and flexibility. No previous experience is necessary and no special equipment is required.

If you are interested, please contact Yvonne Baker (01565 651204) or Evelyn Flett (01565 653048).

### Walking Football

The Walking Football group is now firmly established and meets fortnightly on Tuesdays from 2.00 – 2.45 pm on the 3G astroturf at Egerton Youth Club on Mereheath Lane. Although well supported, additional players would be welcome to join the group. We have players with a range of ages and abilities but all clearly enjoy taking part.

If you are interested in joining us or would like to know more please contact Stuart Allan on 01565 632904 or email [sjallan@hotmail.co.uk](mailto:sjallan@hotmail.co.uk).

### Prospective new group

#### Instrumentalists/Vocalists Wanted

We are a small group of instrument players who have come together to enjoy playing their favourite pieces. Presently our group comprises the following instrumentalists; keyboard/guitar, clarinet/trumpet, harmonica/guitar and bass guitar. We have been playing a range of music ranging from Carole King to George Gershwin and would like to invite others to join us. We meet in our homes every Friday or when a suitable complement can make it. We are particularly seeking percussionists e.g. tambourine, bodhran, bongo drums, portable electronic drum pads or similar, and keyboard players e.g. piano, electronic organ etc. We would also welcome vocalists or any other instrument suitable for a home environment. Skill level is not important as we are generally either learning instruments or revitalising old competences.

So, perhaps you have a musical instrument that you have not played for many years or have started learning or have a good grasp of one and would simply like to play or sing with other instrumentalists. If so please contact David Lee on 07715 498911 or [tleaf32@gmail.com](mailto:tleaf32@gmail.com) to find out more.
