FROM THE CHAIR

Welcome to Knutsford U3A's activities for 2020, a whole new year and decade! It's such a good time to try new things and perhaps encourage friends and neighbours to think of joining U3A.

On a practical note, there have been some technical problems in sending out all the Kanuta newsletters and fliers, as our membership grows. Please could you help us by checking that you have the email address for the newsletters in your email contacts, as this should stop any bouncing back. It is:
newsletter.knutsfordu3a@gmail.com

Thank you, and all the best for 2020.

Christine Jones, Chair

TESSA HOWGATE

We were very sad to hear of the death of Tessa Howgate on January 16th. Rod and Tessa Howgate joined Knutsford U3A soon after we started up and made a major contribution to the organisation getting established. Tessa was always there to support Rod as he joined the committee and became Deputy Chairman. Tessa herself helped to start Walking Group 2 and she and Rod celebrated their Golden Wedding Day by leading Walking Group 2 on a walk in Derbyshire.

Tessa also joined Book Group 2, Bridge and Bowling and was a loyal member of these groups before her illness forced her to give up many of her activities.

All of us in U3A who knew Tessa will miss her and we send our thoughts and sympathy to Rod and the family.

MEMBERS' MEETINGS

Knutsford Methodist Church
Second Thursday of every month starting 2.15pm

Thursday 13th February

Kevin Shade will give an illustrated talk on various types of Japanese Garden.

His talk will explore the symbolism linked to Buddhism, Shintoism and the cultural mythology of Japan which is contained in different types of garden. The different types include temple gardens, tea gardens and the large landscaped gardens of the wealthy.

Thursday 12th March

Diana Leitch (MBE FRSC) will give a talk on 'Men of Warrington: men of influence and deeds'.

Scientist Diana Leitch has previously been a speaker at our meetings, her talk on 'Chocolate' being a particular favourite.

Diana is a world-renowned scientist in Chemistry, pursuing a career in chemical information. In 2014 she was awarded the MBE for Services to Chemistry. Since retirement she has been the Chair of Trustees at the Catalyst Science and Discovery Centre Museum at Widnes. She is also a respected Northern Historian. Some prominent Knutsford families are included in today's talk, particularly The Gaskell family.

Thursday 9th April

Brian Healey will give a talk on Fabergé: The sunset of the Romanovs.

As peasants starved and the drums of war and revolution drew ever closer, the Imperial family seemed increasingly remote, wrapped up in a private world of palaces and privilege. At its most extreme, this was reflected in the series of exquisite Easter eggs created by Russia's master goldsmith, each one containing a unique "surprise". This lecture examines the fascinating insight that these gave into the glittering but final chapters of the Romanov dynasty.

Please note: This talk will last approximately 1hr 15 mins which is longer than our usual duration.
