9th December 2022

Knutsford Quiz

This was an open meeting to all Ku3a members as well as the Family & Social Historians, and was well attended especially considering the snowy weather conditions. **Jenny Collis** entertained us with a brainteasing quiz on Knutsford, a dozen questions that wove local and social history, stirring memories and anecdotes from the audience. An interactive experience, with Jenny as ever playfully providing background and insights with each answer, or in my case, attempts at an answer. An interesting collaborative format, laced with fascinating stories appreciated by everyone. The result of the quiz? Everybody came out a winner! Thank you so much Jenny, we're really looking forward to your next event.
