

Report on the 10th November Meeting

Jenny Collis produced another in the series (well, I hope it will become a series) of her absorbing and entertaining Knutsford Quiz show. It was a very good turn-out, as always when she's on the bill, the hour went far too quickly, and everybody won, coming away with more amusing and informative pieces of information about our community and its past and present. Many thanks to Jenny for another great session.
