

KNUTSFORD AND DISTRICT u3a

VISIT TO PONTCYSYLLTE AQUEDUCT and TRIP ON THE LLANGOLLEN STEAM RAILWAY

FRIDAY 21ST JUNE 2024.

Depart: Knutsford Bus Station 9.15am

Return: 5.15pm

Price £49.00.

11am -This exciting trip will take us to the Pontcysyllte Aqueduct to float over Thomas Telford's 'Stream in the Sky' in the canal boat 'Little Star' - taking in marvellous views from this historic structure. Hot and cold drinks and ice cream can be purchased on board. We will return to be collected by the coach which will take us into Llangollen with time to look around and where we will be able to purchase lunch or drinks if you prefer to take a picnic.

2.45pm board the steam train at Llangollen Station for the trip to Corwen. There is a café at the station and drinks are available to purchase on arrival in Corwen. The coach will meet us again at Corwen for the return journey to Knutsford.

Please note there will be a short walk along the towpath from the car park to join the boat and then a step onto the boat. Likewise there will be a step onto the steam train, as on a normal train. **Please also be aware that the Aqueduct is, by its construction, very high and is not for anybody who is afraid of heights!**

Please note, for insurance purposes, that people attending this trip should be members of the u3a.

You can apply by post using the booking form which is to be sent, together with your cheque, made payable to Knutsford u3a to: Irene Hardy, Holly Bush Farm, Pickmere Lane, Tabley WA16 0HP – Telephone 01565 633348.

.....
Name, waddress and postcode of all attending.....

.....
